

Race Manager Communiqué 2

Welcome again.

Entries

All entries are through your club secretary, who should have an online link – we do not accept entries direct from your riders. **NB this closes in just over a week.** If your club secretary has not received the link, please contact Simon at BikeNZ.

Team Site

We have a number of site for teams to put up marquee/gazebo near rider assembly area.

Half Laps

Please note to get the required distance some events will start at the Pukehomoamo School and this will add 13 km onto the 28.3 km course.

Para cycling

The Hand Bike course starts at the Matapiro Hall and heads back to Pukehomoamo, down to Fernhill and back around the corner just past the school. (Close to 30 kms). Clubs will be asked to have a rider to support each of these hand bikes.

Starting order for TT

We need to know who your current centre champ is, so we can seed.

Rider profiles

We would appreciate a small profile of your riders, so our commentator on the TT can provide a bit more meaningful information to the listeners. (Particularly for the medal presentations). Clubs can email ivan.jo@clear.net.nz with any information.

Accommodation
